The same rule would no doubt be issued at Saigon on the same date. From the telegram received by Mesers. Lamke and Rogge it would seem that a different decision has since been arrived at.

On the 11th inst. Dr. A. de Flesch, Acting Consul for Austro-Haugary at Yokobama, while driving along the Bluff road met with a serious accident, through his dog-cart's axle, cap striking against an electric-light pole. The shock of the impact caused the shafts of the vehicle to map off ebest and Dr. de Flesch leaped to the ground still holding the roles. The trigutened horse broke into a gallop and before his driver could release his hold of the reins he was drigged down and slong the road. Dr. de Flesch's wounds are confined to the left offer, which is badly out and braised. The injured men was conveyed to the General Hospital as quickly as possible, where his wounds, were speedily at-

Says the Japan Mail: -- When "the designs of Russia and France have matured; when they have provided a sufficiency of pretexts to justify some territorial "re-adjustments" in the East, England will be fully prepared to step in and take her share. She has never yet been "left" in a game of scramble, and there is no prospect of her record being presently changed in that is respect. Russia can have her port on the Pacific; France may push a little farther up the valley simply alter her position to suit these changes. It is all very bad morality, we admit, but just as a corporation is beyond the reach of libel, so a nation cannot be arraigned before mny tribunal of ethics. If the millenium is ever to come. will be inaugurated by a union of the Auglo Sexon race all over the world. In the meanwhile nations that have not passed their senith must grow, by fair means if possible, but at any

With which is incorporated THE CRINA DIRECTORY This is the THIRTY-THIRD ANNUAL ISSUE, and will be found, as usual, to show an advance on preceding vects both in fulness and socuracy

of information The DIRECTORY covers the whole of the ports and cities of the Far East, from Penang to Vladivostock in which Europeans reside. Not only is the Directory as full and complete in such case as it can be made, but such Colony, Post or Settlement is prefaced by a DESCRIP-TION, carefully revised each year, most of which will serve as accurate Guides for the Tourist, 21th inst. pleing every detail in connection with the places, their History, Topography, &c., &c. The Information afforded in these Descriptions wione would suffice to fill an ordinary volume,

consisting of over NINETY highly interesting articles, packed with facts concisely set out, and containing statistics of the TRADE of each Coun-The work practing Directories and Descrip-
